Upcoming Events

Wednesday 31st March- Easter bonnet parade and Easter party tea

Next week in the **Baby Room** we will be continuing our Spring activities to start for our seasons boards as well as what we will be doing for Easter!

Next week in **Toddler Room** our theme is music! We are expecting it to be a very noisy week! We will be exploring how to make different sounds and creating our own musical instruments.

On Wednesday we will be talking about and celebrating St Patrick's day – We also have a special menu for this day too!

In **Lower Pre-school** next week the children will be continuing to look at sizes, we will be using Goldilocks and the 3 bears to learn about this. We will also be taking about Spring.

In **Upper Pre-school** the children will be looking at re-separating numbers, using different objects. They will also be growing seeds and watching them the grow and change

What have we been up to?

In Babies we have loved creating some Mother's Day surprises for our mummies this week; this has involved cooking, painting and crafting. As well as our focused activities for Mother's Day we have enjoyed reading lots of stories, singing along to our favourite songs, whilst doing the actions! We have loved lots of messy play in the garden and having the sand outside, we especially liked using the building blocks to make impressions in it.

This week in Toddlers, we have enjoyed crafting something special just for our Mummies! We have enjoyed finger painting, decorating some biscuits and a flower too! When we weren't getting crafty we were talking about our Mummies and what they do for us. In Toddlers we also really enjoyed looking at pictures of our families in the 'all about me' book.

In **Lower Pre-school** this week we have been exploring sounds and becoming familiar with a wide variety of instruments, we have been looking at the different techniques needed to play them. Katharine brought her guitar in and we really enjoyed joining in singing whilst she played! We have also been thinking about the concept of size and have been using different language to compare two or more objects.

This week in **Upper Pre-school** we have been talking about feelings and how different things can make us feel. In circle times we have been talking about who makes us happy and why. We have also made feeling pictures, which we used to express our feelings in small groups.

Our rhyme of the week is 5 current buns and we made our own current buns and acted out the rhyme!

We have been practicing our letter formation and also making special surprises for our mummies!

What a busy week!

Don't forget to check out Tapestry, Facebook and Instagram for more of the fun things we have been up to this week !

Thank you to all the parents who have chosen names for your guess the name of the bunny competition, we still have 8 names left at £2 per guess and the winner will take home this large Easter bunny!

All money raised will go towards garden resources.

We are in the process of creating a new website; which will make it easier to share information, pictures and upcoming events with you.

We would love it if we can add some parent reviews to our new website and would really appreciate it if you could email Gemma some feedback of how you have found your time at Huggetts.
