

WEEK COMMENCING 31ST MAY 2021

PLAYDAYS NURSERY

FARNBOROUGH

What have we been up to?

Baby Centre- This week in our Baby Centre, we have been exploring 'Weather'. We have seen so many different weathers recently and wanted to explore and learn more about the different types of weather. This week we have looked at a variety of textures that may be associated with the weather, such as ice, water and fake snow! Each day we have explored a different type of weather such as, rain, sun, and snow. We have also explored our sensory tuff trays and created our own rain makers and made our own moon dough. Our most favourite thing to do has been flour play as it represented the look of snow, we loved to watch this drop from the sky

Hedgehogs- This week in Hedgehog's, we have been developing our communication and language through some of our favourite stories. One of our most favourite stories has been 'We're Going on A Bear Hunt', we have explored messy tuff trays with the different elements of the story such as swishy grass, water and mud! When reading this story, we were able to fill in the missing gaps of sentences and anticipate what may happen through our own knowledge of the story. Hedgehogs have also enjoyed using colour bears to match colours and patterns, which has incorporated our interest of bears into our play and also has helped us to explore and develop our mathematic skills

Next week we are looking forward to taking on art week with the theme of 'Pirates'.

Pre-school- We have now finished our theme of Construction and we are moving onto the theme of 'School Readiness'. We have really been enjoying the lovely weather this week and have created lots of ice play activities to keep us cool. Pre-school are ready to explore 'Art week' next week, where we will be starting to focus further on our mark making skills and learn about famous artists. We will start art week off with mark making to correspond with our theme of 'school readiness', developing our fine motor skills and pencil holding skills will ensure we take the right steps to be school ready!

Next week, we are all looking forward to Art Week. We will be looking at a variety of art, creating our very own art inspired by artists around the world, learning about famous artists and creating some keepsakes to take home!

Don't forget to check out Tapestry for more of the fun things we have been up to this week ! Also, like and follow us on Instagram and Facebook for more events and dates!- details below

Next month we are focusing on 'Aspiring Artists' as our play at home initiatives, in line with Art Week. Please see the memo section on Tapestry for further information and activities.
