

WEEK COMMENCING 13TH SEPTEMBER 2021

PLAYDAYS NURSERY

FARNBOROUGH

What have we been up to?

Baby Centre- In our baby centre we use the babies interests to support their individual developmental needs; this week cars and the babies used cars to support their development and learning. The babies have enjoyed using cars to explore the motions of the cars, watching them as they roll on each surface. We have also incorporated paint and other messy sensory items, by using cars in these. We have learnt some new vocabulary such as 'vroom', 'ready, steady and go' and even learnt to count '1,2,3' through this interest and the activities.

Hedgehogs- This week in Hedgehog's we have focused on our listening and attention skills. To support this, we have created our very own yoga sessions within our room, with a variety of calming music. Hedgehogs have also begun to learn some basic sign language to communicate, which is fantastic! We have also been exploring the role play area; we have explored doctors with dolly patients and using real life bandages. To finish off our week, during focused time, we asked Hedgehogs what they enjoy doing at home the most; one child explained they recently visited soft play- so we pushed everything aside and had a soft play room!

Pre-school- This week in Pre-school we have been exploring stories written by Roald Dahl, as part of Roald Dahl day. In celebration of this we created some activities based around some of his famous stories, such as Witches, Matilda, Georges Marvelous Medicine and Charlie and the Chocolate Factory. We included activities such 'medicine' making in a tuff tray, chocolate playdough, mark making with pencils and rulers and then finished off creating our very own rat ears! As well as celebrating Roald Dahl day, we have been exploring snails; developing on from our interest after finding a snail in our garden. We enjoyed making our own interpretations of what we think snails look like. Pre-school wanted to gain further knowledge about snails, so we watched a life cycle of a snail, learning vocabulary such as 'sticky', 'slimey', 'shell' and 'hard and soft'.

Upcoming Events

- Coffee morning- Friday 24th September

MENU

NEXT WEEK
WE WILL BE
ON MENU
ONE

This month we are re-developing our play and learning at home initiative to correspond with the new EYFS 2021 curriculum

Reminders

- Please ensure your child has suitable clothing for the weather ahead of their session, so they are able to make full use of the activities and facilities provided. Including wellington boots, rain coats etc.
- Please remember, if you are showing symptoms and/or are awaiting test results for COVID 19; please do not come to the nursery to drop your child off.
- Drop off/Collection-Please ensure you are dropping and collecting your child at the correct session times. Ratios are organised accordingly, and you may be at risk of being asked to wait if you are too early for your child's session or a late fee may be applied to your account.
- Label clothing-Please ensure all your child's belongings are clearly labelled to lower the risk of missing items.
- COVID-19- If you are double vaccinated or under the age of 18, two weeks post your 2nd vaccine, and you experience any signs or symptoms, you will no longer have isolate. However, your child will require to get a PCR test if they display any signs or symptoms whilst at nursery. We would be very grateful, if you have been in contact with someone who tests positive, to make a member of staff or management aware so that we can be extra vigilant and monitor for any signs and symptoms.
- Prescribed medication- Please ensure all prescribed medication has been given for a minimum of 24 hours/ 4 doses before returning to nursery. We can give medication as long as the labelled medication is provided, and it is signed in each day.
