

WEEK COMMENCING 13TH SEPTEMBER 2021

# PLAYDAYS NURSERY

## LINGFIELD

### What have we been up to?

We will be stopping our weekly theme and having an monthly theme over the whole nursery, which will allow us to follow the children's interests and be more child led.

**Babies** – This week in the baby room our sign has been 'listen', we have used this when we are having circle time. Next week our sign will be 'look'. We have also enjoyed creating different forest animals with paint. In our room we also have had a little move around and have created a new cosy area, which the children have enjoyed looking at the books in.

**Toddlers** – This week in toddlers we have been exploring farmyard animals. We have learnt sign language for animals – such as pig and cow. Following the children's interests we have had lots of messy play out this week; particularly paint, the children have used lots of different resources to make different marks.

**Pre-School** - This week we have been looking at the ball skills, we have done 'balls are bouncing', b,b,b as our Phonics rhyme. Out in the garden we have been practicing throwing and catching, kicking and also had the marble run out!

## Next Week...

For the remainder of September our theme across the nursery will be 'our favourite things'

**Babies** – Next week our sign of the week will be 'look', the children will also be looking at exploring the new layout of the room.

**Toddlers** – Next week we will be looking at learning to sign some colours, we will be starting with the primary colours.

**Pre-School** – Next week our phonics sound will be 'c'. The rhyme will be – caterpillars coughing c,c,c.
