

WEEK COMMENCING 27TH SEPTEMBER 2021

PLAYDAYS NURSERY

LINGFIELD

What have we been up to?

Babies – This week in our baby room our sign has been 'look'. We have used this throughout the week. We enjoyed creating lots of slides and tunnels out of pipes and cardboard tubes to allow the babies to drop down different objects such as cars and balls.

Toddlers – This week in Toddlers we have been continuing to sign colours, this week we have focused on the colours orange and pink. We have enjoyed the different weather this week – popping on our wellies and splashing in muddy puddles!

Preschool - This week we have been learning the phonics sound 'd, d, d, daffodils are dancing'.

Can you help us? We are always on the lookout for different materials for crafting and play. If you have any of the following at home – please don't throw them away, we would love them!

- Kitchen roll/wrapping paper tubes
- Old CDs
- Scraps of material
- Unwanted wallpaper
- Unused greeting cards
- Pine cones
- Corks
- Old phones, hats, scarfs, jewellery for role play

Next Week...

For October our theme of the month across the nursery will be 'autumn'.

Babies – Next week our sign of the week will be 'shoe'. We will use this when we are taking our shoes on and off.

Toddlers – Next week we will be looking at learning to sign different type of weather! We will start with 'rain' and 'sun'.

Preschool - Next week our phonics sound will be 'e, e, e, eggs in an eggcup'.

Covid 19

If you are double vaccinated (14 days post your 2nd vaccine) or under the age of 18, and you are in contact with someone that tests positive, you will no longer have isolate. However, your child will require a PCR test if they live with someone that tests positive or if they display any signs or symptoms, before returning to nursery. We would be very grateful that if you or your child have been in contact with someone who tests positive, to make a member of staff or management aware so that we can be extra vigilant and monitor for any signs and symptoms.

If we get 3 or more positive cases within a bubble, the whole bubble will be asked to isolate for 72 hours before getting a PCR test (all negative results will need to be emailed to a member of the management team)

We will do everything we can to avoid any disruption to our families, and we are working tirelessly to keep COVID out of the nursery so please be extra vigilant to symptoms, get your child tested if you are not sure and please be honest with our staff.
