

WEEK COMMENCING 16TH AUGUST 2021

PLAYDAYS NURSERY

SOUTH WOODFORD

What have we been up to?

0-2 year old room – Buttercups

Babies have been gaining a greater sense of self by looking in the mirror and combing their own and each other's hair. Babies have also enjoyed playing dress up with jewelry and explored all of the different shapes on the necklaces with their hands. The babies enjoyed a fun activity with papier-mache and then had lots of fun by throwing the paper in the air and exploring all the different textures.

2-3 year old room – Bluebells

The toddlers have enjoyed practicing their pencil holding skills and drawing pictures for their friends, also developing our fine motor skills we have done some threading and practicing zipping zips up and down.

The toddlers have enjoyed getting messy with paint and doing handprints and finger prints onto paper; they then learned hand washing skills to wash the paint away. Toddlers have been practicing some physical skills by dancing to music, balancing on blocks and throwing bean bags into tyres.

2-5 year old room – Sunflowers

Pre-school have enjoyed creating their very own farm using a variety of resources such as shredded paper, corks, sand and water; they used their imaginations and made up their own story, taking turns to add to the story.

Pre-school have also enjoyed phonics this week and practiced some phonics sounds and then enjoyed finding objects that matched to the sound.

Pre-school enjoyed a variety of physical activities and to fulfil their interests their key workers set up an obstacle course in the garden. This course consisted of hopping through tyres, balance along blocks, bean bag throwing and then running back to the beginning! Pre-school have also enjoyed practising strokes with paint and paint brushes onto paper.
