

WEEK COMMENCING 23RD AUGUST 2021

PLAYDAYS NURSERY

SOUTH WOODFORD

What have we been up to?

Buttercups

Our baby buttercups have enjoyed playing hook a duck this week, using a big net and also their hands to help find the ducks in the water tray which we created to look like a pond. We have also enjoyed lots sand play this week using many different objects in the sand and we have enjoyed mark making with paint and ice play this week.

Bluebells

We welcomed two new friends into our toddler room this week! We have enjoyed a vegetable tasting activity with many different vegetables such as beetroot and carrots. Our home bear recently took a trip home with one of our toddlers, and enjoyed a trip to the park, a party, piano playing and a bus ride- wow he was a busy bear!

Sunflowers

We enjoyed painting printing with Lego – we loved to see the small detail that the Lego created while printing. We are really enjoying our new garden display with many different letters and insects which is supporting our critical thinking and literacy skills. We enjoyed making homemade apple pie this week; measuring out ingredients and using our counting skills, to count apples, and developing our cutting skills. Our home bear has also visited one of our pre school children's house's this week, where they enjoyed lots of cuddles and even ventured on a trampoline!

Upcoming Events and Reminders

Jeans for Genes Day

Monday 13th September- Wear Jeans and bring in a donation for Jeans for Genes

Summer weather

Please ensure you have provided your child with an unopened, labelled bottle of factor 50 sun cream and a sun hat. If not provided your child may be limited to the use of the garden facilities and outings, during the warmer hours of the day

Illnesses

We have had 3 reported cases of ear infections and throat infections this week. If your child is poorly, please ensure they remain at home until they are better. Also, please be reminded that children are not permitted to attend nursery if they have had any no prescription medication (calpol or nurofen), if you feel that your child requires medication to attend nursery this is an indication that they should not be attending.

Thank you!

Thank you to everyone that attended our fun day last Saturday, we hope you had as much fun as we did! And a big well done to our gradulators!

Thank you to the families who donated to the raffle, the prize winners were drawn on Monday 23rd August and shared on social media and in the nursery reception – Please collect your prizes at your earliest convenience.

This week we have had parents evening – thank you to all the parents that have taken the time to discuss their children's next steps for next term and all the great feedback we have had.
