

WEEK COMMENCING 30TH AUGUST 2021

PLAYDAYS NURSERY

SOUTH WOODFORD

What have we been up to?

Buttercups

This week we have loved dancing and showing excitement at each others different movements! We have also enjoyed using potatoes as stamp to paint with, the buttercups enjoyed dipping the potato's into paint to form different marks. We welcomed a new friend into our buttercups room and the buttercups have been very caring to our new friend

Bluebells

Our home bear has been on an adventure with a child from bluebells this week, where they enjoyed going to a fairy house, the beach, enjoyed a BBQ and enjoyed time in a swing! The bluebells really love to look in the bears book in circle time and enjoy looking at all of the things the bear has been up to! We have also enjoyed using a bug hunt in the garden using our new display and also finding real creatures we really loved the slimy slug!

Sunflowers

Our sunflowers have enjoyed recreating 'we're going on a bear hunt' and we have worked on memorizing the sequence of the story, carrying out the actions and creating their own versions and finding resources to recreate the story. We thoroughly enjoyed a science experiment using milk and pepper with a drop of dish soap.

Upcoming Events and Reminders

Jeans for Genes Day

Monday 13th September- Wear Jeans and bring in a donation for Jeans for Genes

Summer weather

Please ensure you have provided your child with an unopened, labelled bottle of factor 50 sun cream and a sun hat. If not provided your child may be limited to the use of the garden facilities and outings, during the warmer hours of the day

MAKATON SIGN OF THE WEEK

Sickness

We have had 15 reported cases of norovirus at the nursery. Please be reminded that if your child/children do come down with the bug they must stay at home for **48 hours from the last bout of sickness (or diarrhoea), not 48 hours from their first.** This is paramount to ensuring that no other children or staff get ill and to ensure that we do not have to close rooms within the nursery.

Please let Carly or Paige know if you have any questions. Thank you for your continued support and understanding. To the families that have been unwell - we wish you all well. The sanitizing company attended on Wednesday 1st September and we have increased our cleaning regimes
