

WEEK COMMENCING 6TH SEPTEMBER 2021

PLAYDAYS NURSERY

SOUTH WOODFORD

Buttercups

Babies have enjoyed the sun this week and made the most of it with lots of water play outside. They have also enjoyed exploring their fine motor and concentration skills by placing pegs onto the edge of a cup. The babies have enjoyed exploring ice by feeling the texture of the ice and the water when the ice melts using their hands and mouths.

Bluebells

This week the toddlers have had lots of fun playing in the sun especially with the water play and have enjoyed measuring and transporting the water with jugs and bowls.

The children have also enjoyed reading stories such as "brushing teeth" and we really enjoyed discussing our daily routines at home with their parents/carers at circle time

Sunflowers

This week the pre-school children have enjoyed practicing their coordination skills by balance along beams and hopping through tires.

Pre-school have also enjoyed a fun water fight in the garden; we splashed in puddles and had fun catching each other with cups of cool water!

On Friday we celebrated Jamaican day and to celebrate this we learned about Jamaica and its culture, tasted the food, coloured in flags and created necklaces.

Upcoming Events and Reminders

Jeans for Genes Day

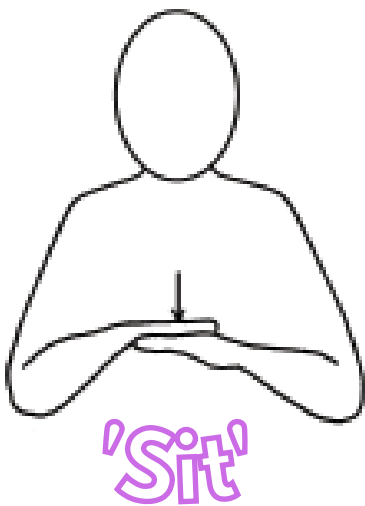

Monday 13th September- Wear Jeans and bring in a donation for Jeans for Genes

Summer weather

Please ensure you have provided your child with an unopened, labelled bottle of factor 50 sun cream and a sun hat. If not provided your child may be limited to the use of the garden facilities and outings, during the warmer hours of the day
