

WEEK COMMENCING 8TH NOVEMBER 2021

PLAYDAYS NURSERY

SOUTH WOODFORD

We have all taken part in Children in need each activates this week – Pj's have been worn and cake sales and we enjoyed a few moments silence for Remembrance day.

Buttercups

Our buttercups have really enjoyed a threading activity with string and large hoops – it was great to see the concentration on their faces! We have also enjoyed many painting activities this week – using paint brushes and also our fingers to make marks onto paper. We have 3 new beautiful displays in our room which the children have loved helping to create!

Bluebells

Our bluebells have enjoyed a fun painting activity using their hand and foot prints to create a Christmas tree- we used many different mathematical terminologies when discussing the colours of the tree and how tall the Christmas tree is. Our Christmas activities then led us onto a lengthy discussion about what gifts we would like for Christmas and what we are doing at Christmas time. We also enjoyed an outing and enjoyed a role play tea party while being dressed up.

Sunflowers

Our sunflowers have enjoyed many Pudsey themed activities for Children In Need, such as cake baking and creating our own Pudsey plates with an eye patch on – the children were really interested to know why we are raising money and are really happy that we are helping. We love our new 3D Christmas display with bright, shiny lights. We also enjoyed an outing this week, we really loved looked closely at all the digging that has gone on the in the road while the nursery had no electricity on Tuesday –the children were intrigued to know about all wires that are under the ground.

MAKATON SIGN OF THE WEEK

MENU NEXT WEEK WE WILL BE ON MENU ONE

COVID 19

If you are double vaccinated (14 days post your 2nd vaccine) or under the age of 18, and you are in contact with someone that tests positive, you will no longer have isolate. However, your child will require a PCR test if they live with someone that tests positive or if they display any signs or symptoms, before returning to nursery. We would be very grateful that if you or your child have been in contact with someone who tests positive, to make a member of staff or management aware so that we can be extra vigilant and monitor for any signs and symptoms.

If we get 3 or more positive cases within a bubble, the whole bubble will be asked to isolate for 72 hours before getting a PCR test (all negative results will need to be emailed to a member of the management team)

We will do everything we can to avoid any disruption to our families, and we are working tirelessly to keep COVID out of the nursery so please be extra vigilant to symptoms, get your child tested if you are not sure and please be honest with our staff.

THANK YOU

Thank you everyone for your understanding on Tuesday, when due to a fault in the lines we were left with no gas or electric
